## International Conference of Manufacturing Technology Engineers 2014

30<sup>(Tues)</sup> Sep. ~ 2<sup>(Thu)</sup> Oct. 2014

Jeju KAL Hotel, Korea

### Topics and Scope

- Advanced Machine Tools and Tooling
- Micro and Nano Machining
- Green Manufacturing System
- Numerical Control and HMI Technologies
- Robot and Process Automation
- Ocean Plant Manufacturing Technologies
- Precision and Ultra-Precision Machining
- Nonconventional Machining
- CAD/CAM/CAE
- Machine Tool Vibration and System Control
- IT-BT Convergence Manufacturing
- Etc.

### Korean Core-Research Lab. Remote Tour

- Colloquium and Exhibition of Core Laboratories in Korean Universities/Institutes for Global Research Cooperation.

### International Forum and Panel Discussion

- Future Trends of Global Manufacturing Technologies

### Important Dates

- Deadline for Paper Title / Abstract Submission **August 15, 2014**
- Acceptance Notification **August 15, 2014**
- Deadline for Manuscript Submission **August 31, 2014**
- Early Registration **Before or on August 31, 2014**

\* Beautiful Jeju Island is included in the UNESCO list of Patrimonies of the Humankind. All ordinary passport holders can stay visa-free 30 days in Jeju Island.

### Keynote Speakers

Professor  
**Kai Cheng**  
Brunel University  
(UK)

Prof. Dr.-Ing  
**Berend Denkena**  
Leibniz University Hannover  
(Germany)

Professor  
**Kornel F. Ehmann**  
Northwestern University  
(USA)

President / Professor  
**Dong-Ming Guo**  
Dalian University of  
technology (China)

President / Ph.D  
**Yong-Taek Im**  
Korea Institute of Machinery  
and Materials (Korea)

Professor  
**Shiv G. Kapoor**  
University of Illinois at  
Urbana-Champaign (USA)

Prof. Dr.-Ing  
**Fritz Klocke**  
RWTH Aachen University  
(Germany)
